

In every change, in every falling leaf there is some pain, some beauty. And that's the way new leaves grow.

The woman recovered...
manager, taken by surprise, did nothing...
by which she had come in the woman...
the luggage store into the... heading...
and - still clutching the stolen briefcase...
instead, she jerked her wrist free from...
in despair, she ran out of the...
plus...
follow...
hundreds...
of the...
the...
After...
instan...
